

43rd IFSMA ANNUAL GENERAL ASSEMBLY MITAGS, Baltimore, USA, 18th & 19th April 2017

CALL FOR PAPERS – Deadline 21st February 2017

Affiliated Associations and Individual Members are asked to submit all Assembly Papers to the Secretariat by the 21st February 2017 to ensure early acceptance and inclusion in our prestigious Annual Review.

The Secretariat requests that Papers are a maximum of six sides only for printing purposes and reasons of economy. Bulky Documents of more than 6 pages (sides) are to be distributed by the originating Association to all other Associations.

The Papers will be reviewed by the Executive Council at its next meeting on 22nd and 23rd February 2017. Those accepted will then be included in the Agenda for the General Assembly, will be published in the Annual Review and distributed to the Membership and many other organisations.

Any Papers received after 21st February 2017 may be treated as "LATE PAPERS". The General Assembly will be unable to accept these Late Papers for Decision and they will be included in the Agenda, time permitting only, as Information Papers for Discussion only. They might still be included for publication in the Annual Review depending on space available and the date received.
